The screenshot shows the CPD SE Wales website interface. At the top, there is a navigation menu with links: Home, Consortium, Search Events, Expertise, General Enquiry, Cancel Request, and Help. The main content area is titled 'Development Opportunities' and contains a search form with the following fields:

- Keyword:
- Starts during or after: Today (dropdown)
- Course Code:
- LEA: All LEAs (dropdown)
- Subject: All Subjects (dropdown)
- Providers: Select a Provider (dropdown)
- Event Type: All Events (dropdown)
- Key Stages: Foundation, KS 2, KS 3, KS 4, 7-14, Post 16 (checkboxes)
- Is this course taught in Welsh?

A 'Search' button is located at the bottom left of the form. To the right of the search form is a 'Calendar' for April 2010, showing a grid of days with some dates highlighted in blue. Below the search form, there is a footer with the text 'Wales CPD Online © 2007 All rights reserved.' and several logos for partner organizations.

Launch of Science Working Party 2010

Launch of Moodle Page : " Contexts For Learning: Science Aspects".

The Science Working Party 2010 has developed resources focussed upon science learning and teaching within a context for learning approach. Members of the Science Working Party 2010 will present their work. This work is available (from 21st April 2010) on Moodle. This Moodle 'page' will be launched and schools/teachers will be invited to share their science learning resources via this site. The Moodle page will act as a central point for the sharing of resources for schools in Cardiff.
